**1. RESPONSE/REMARKS**

In response to the Decision on Petition dated March 8, 2006, Applicants enclose the following documents:

**1.1 THE EXECUTED STATEMENT OF ADDED INVENTORS WHITEHOUSE IS PROVIDED**

*(Item (1), page 2 of the Decision on Petition)*

The Decision notes in Item (1), page 2 that Applicants are required to submit a statement by the added inventor that the error in inventorship occurred without any deceptive intention on the part of the inventors added subsequent to the proceedings of the International Application.

To perfect the deficiencies in the previous submission under 37 C. F. R. §1.497(d)(1), Applicants enclose herewith properly-executed Statement by Inventor Whitehouse that his original omission as a joint inventor in the International application occurred without any deceptive intent on his part.

Applicants believe that this submission satisfies the cited provision of the Petition and as such, believe that the application is now placed in condition for examination with respect to a properly-executed Statement of Added Inventor. A renewed petition for favorable finding in Applicants' behalf with respect to fulfillment of Item (1), page 2 of the Decision on Petitions is, therefore, respectfully tendered.

**1.2 THE CONSENT OF ASSIGNEE TO ADD INVENTOR WHITEHOUSE IS PROVIDED**

*(Item (3), page 2 of the Decision on Petition)*

Item (3), page 2 of the Decision indicated the need to submit a statement granting the consent of Assignee under 37 C. F. R. §3.73(b) in further compliance with 37 C. F. R. §1.497(d)(3) with respect to the addition of Inventor Whitehouse.

To that end, Applicants enclose herewith a properly-executed Statement by the Assignee to Add Inventor Whitehouse as a joint inventor. The Assignee formally assents to the addition of Professor Whitehouse. The assignment of rights to the assignee for each of the signing joint inventors has been submitted for recordation at Reel/Frame 016658/0335. (A copy of the recordation of Assignment to Promics Pty. Limited is enclosed herewith).

Applicants believe that this submission satisfies the cited provision of the Petition under Rule 1.497(d)(3) and as such, believe that the application is now placed in condition for examination with respect to a properly-executed Consent of Assignee to Add Inventors. Applicants respectfully renew their petition for favorable finding on Applicants' behalf with respect to fulfillment of Item (3), page 2 of the Decision on Petitions in view of this submission.

**1.3 REMARKS**

Applicants believe this to be a full, complete, and timely response to the Decision on Petition, and respectfully requests that the Legal Officer in Charge grant a favorable decision in view of Applicants' current Renewed Petition.
